

EBERLY FARM HOST BAR SERVICE

Eberly Farm is always striving to make your event as stress-free as possible. Eberly Farm provides the bartender(s) and/or bar set-ups necessary for those customers who choose to offer alcohol at their event. Eberly Farm does not offer cash bars, the only type of bar available is a host bar. To help with your planning we recommend an average of one beverage per hour per guest. Hosts are expected to follow Kansas State Laws in regards to minors consuming alcohol and guests driving under the influence.

As an added service, a staff member from Eberly Farm's bar service will gladly help you plan the liquor needs for your event free of charge. You can bring liquor from the liquor store of your choice. J & J Fine Liquors (West Wichita) offers assistance in planning your bar needs to Eberly Farm customers. For more information about the liquor they carry, call Matt at 722-1222 located at 21st & Tyler.

All domestic keg and canned beers must be purchased from Eberly Farm, see below for pricing. All beer purchased from Eberly Farm will be set up and ice cold, ready for your guests to enjoy!
